

CORD INSERTION INSTRUCTIONS

For shadowbox frames

- 1) Place frame face down on a towel. Bend the flex tabs up on the back of the frame.
- 2) Remove back board including white frame box.
- 3) Drape the cord over the back of the frame box and tape.
- 4) Place shadowbox back into the frame, place the backing mat over the top and close flex tabs to hold mat and box in place.

Enjoy Your New Frame!
